

WHITE HOUSE ROUNDTABLE ON IMPACT INVESTING: CASE i3 COMMITMENT TRACKING REPORT #1

On June 25, 2014, the **United States National Advisory Board on Impact Investing** released recommendations at the White House Roundtable on Impact Investing for how U.S. policymakers could encourage more impact investing. Simultaneously, 28 US organizations and investors announced \$2.5 billion in new private commitments to impact investing. The CASE i3 Initiative on Impact Investing at Duke University has been tracking the deployment of these commitments.

Commitment: \$2.5 billion to be deployed from June 2014 through June 2019 by 28 organizations.

Deployment: \$1.04 billion invested in 367 deals by December 31, 2015.
